Oregon Teen Area Council  
Meeting of July 28, 1973  
State Festival, Coos Bay

The meeting was called to order at 12:15 p.m. by President Joey Lassiter. Minutes were read by Tricia Altman, Secretary, and approved. Roll was taken; all clubs present. Treasurer Kathie McDaniel reported \$153.22 in the treasury.

COMMITTEE REPORTS

Larry Nelson reported his progress in planning the camp-out. He found a park near Hoo Doo where we could camp, but we <sup>were</sup> not be able to make reservations. After some discussion, it was decided that we would wait until next summer to have the camp-out, so that we will have time to get reservations for enough camp sights, and have time to make sufficient plans. Larry said that he would like to keep working on it for next year. We will let him know at Mid - Winter how many reservations to make, so that final plans can be discussed at the May meeting.

Tricia Altman reported that a paper telling about Teen Area was sent in to be placed on the Oregon Display Table at the Nationals in Salt Lake, but that it evidently was not received in time to be included in the display.

OLD BUSINESS

Jeff Dorn reported that Mini Squares have dropped out of Teen Area Council and joined P.A.C. They sent a letter explaining that they dropped out because they felt that they could not participate enough in Teen Area, as they are too young. We discussed the fact that we have not really been supporting Mini Squares, even when the TAC meeting was at their dance. The secretary will write them a letter saying that we are sorry they are dropping out and that we did not include them more.

NEW BUSINESS

Teen Area is to choose the Round Dance of the Month for November. We will decide on the round dance at our September meeting, so that we will have some suggestions ready. The R.O.M. must be a published round dance.

The next meeting will be Sunday, September 23rd, 5:00 p.m., at Oak Grove Hall, attending Noble Eights afterwards.

The meeting was adjourned at 12:35.

Respectfully submitted,

*Tricia Altman, Secretary*
