CLUB NEWS

BLUE MOUNTAINS

ELKHORN SWINGERS Baker City

The summer months held several great dance events including our "Swing-in-to-Summer" Dance and Cookout in June, a demo dance in the park for Miners' Jubilee, and (at the time of this writing) are gearing up for a dangle dance "Hot August Dance" at Radium Hot Springs. We are scheduling demos at Baker City's Fall Fest and Haines Pioneer Days in September before returning to the hall with an "Intro to Round Dance" session in hopes of enticing some new folks for lessons and our regular dances, which will resume in October.

Esa

LaGRANDE STAR PROMENADERS LaGrande

We are still dancing on Thursday

evenings with meetings once a month. There has not been much in the way of extra dances or demos thus far this summer. There will be some parades and /or demos as the season progresses.

MUDDY FROGS Milton-Freewater

We have had a fun summer. We have supported other clubs in our council by attending their anniversary dances and specials. We danced in Pioneer Park in Walla Walla on July 4th. Thank You to Jim Swanson for coming from the Tri-cities to call for us. The Walla Walla club joined us even though we had 100°+ temperatures. For our annual picnic, we skipped dancing due to the high temperature and just enjoyed the company of fellow square dancers. Some of our Frogs attended the Leadership Seminar at the Circle 8 this summer. Every dancer should attend these educational programs.

We look forward to a new square

dance year with new classes and new dancers. Hope to see you in a square soon.

CENTRAL OREGON

By the time you read this the 2009 Central Oregon Round Up will be in the history books. We hope you were able to join us and that you had a good time. The Red Rocks brought back their famous deep pit barbeque, and lots of folks were looking forward to that. A big thank you goes to Round-Up Chairman Dave Cooper and his hard working committee.

Planning is underway for lessons in Central Oregon, and they will continue through the fall and early winter. Our angels are polishing their halos and reviewing their dance moves and are ready to help with what we hope will be a bunch of enthusiastic new dancers.

Diamond Lake this year. Lots of eating and bike riding as well as dancing. We even got in a little swimming as the hot days made the lake real inviting. We camped and partied with enthusiasm in D loop at Broken Arrow this year. We also enjoyed seeing old friends and making some new dancing friends along the way.

Sundown Round Dance Club held a successful benefit dance to help one of their youth dancers and her teammates earn money to attend a national 4H equestrian knowledge competition at the National Stock show in Colorado this winter. Central Oregon is sending two teams to the two competition events. This is the first time one geographic area has sent two teams to this championship. There are seven young ladies on the two teams and the round dancers enjoyed the dancing opportunity to help them with their fund raising effort. The girls brought the food to our dance, and they had a good time trying out round dancing also.

REDROCK SQUARES

We are serving the Deep Pit BBQ at the Central Oregon Roundup this coming weekend. This is always a fun project. Doug and LaDauna Hartzell are the BBQ chairpersons. This has been a big job. It's a new location for the BBQ, so setting up for the first time in a new area is really time consuming. We appreciate all their work.

We are having Mainstream lessons starting September 16 at the Redmond Grange. Jim Steele will be the instructor.

It has been an exceptionally hot summer in Central Oregon so the dances that were held were small. Here's to cool dancing!

On July 15, we held our annual picnic at Tana Baker's home. Everyone

had a great time. August 1st, we held our "bring your baby pictures and diapers" dance. The diapers will be given to the needy.

On August 15, our club will hold a Luau dance. It will be a casual dance with Christina cueing and Lennie Ludiker will be our guest caller. We're planning a miniature golf and pizza party August 28th. There will be no dance on September 5; that will be Labor Day and members of our club have family plans. We will begin lessons on Tuesday, September 15.

SINGLE TREES

Springfield

"Celebrate Freedom" was our dance July 10th. There was much red, white, and blue in our dancers' costumes. The food was potluck with a heavy reliance on picnic stuff—hot dogs with all the fixings, salads, and desserts. Too much good food!

Our July 24th dance went dark so that members could attend Diamond Lake Festival.

Forty-five or 50 members attended our annual club picnic on August 2nd. Eugene was sweltering in 100° temperatures, and we spent much of the afternoon huddling under tents and umbrellas, but the heat didn't keep us from once again eating ourselves half silly. Our collective thanks to Gaynor Hintz for giving us the use of her back yard.

SWEET HOME SQUARENADERS

Sweet Home

There is never a dull moment here in Sweet Home, even in the summer. We participated in Sweet Home's Sportsman's Holiday Parade July 11. We had plenty of dancers to fill tandem trailers. Leonard Snodgrass was our caller. It was a beautiful day and many people turned out for the parade. The dancers enjoyed dancing and the crowd enjoyed listening and watching.

On the morning of August 1 (the weekend of our Oregon Jamboree), we danced at the Farmers' Market held in the Thriftway parking lot in Sweet Home. Jim Voll was our caller

and Joyce Voll was our cuer. Fortunately, the weather had cooled down a bit, and we were in the shade with a gentle breeze. We had a wonderful time and may dance there again in September.

WHIRL-A-WAYS

Springfield

Thirty-four of us danced at the Diamond Lake Festival, including 28 in RVs at the campground. Then eight members in four RVs enjoyed Central Oregon Round-Up in Sisters.

We will be back to our regular dancing season on the second and fourth Saturdays, beginning September 12.

Our caller, Bob Ewing, is doing beginners' square dance lessons. (Refer to the lessons listing in this issue). Lessons are open to all adults and youth age six and older!

Coming up is a club social weekend, September 18-20th at Seven Feathers Resort in Canyonville, which offers a beautiful RV park, hotel and casino.

Come visit and help us enjoy another year of fun dancing and friendship.

WOLF PACK

Springfield

It is time again for more real people to have real fun. Our new class begins September 12, 10:00 a.m.-12:00 at the Emerald Square and Round Dance center, Hall B, at the rear of the building. Lessons are \$3.50 for adults and \$2 for teens. We have family rates. Just ask.

Since we had no dance in July, our members attended other square dance clubs, the Summer Festival and Diamond Lake Dance.

September 18 is our Reunion Dance.

Did you know that square dancing could be the safest place to be? Look up Healthy Advice on the computer under Wolf Pack Square Dance Club, put together by Larry Dupray, our caller.

We are biting at the bit to get back to regular classes. We had demos and a picnic to help recruit new dancers for classes; this month we will reap the rewards.

Our club members are busy preparing for our Potato Festival, which will be held Friday and Saturday, October 16-17. Dry camping is free, so head on down and join us. Friday night will be callers and cuers from the floor. Saturday's activities will include

a dinner and dance. We would love to have you come join us in Klamath Falls during the beautiful fall season before the snow starts flying.

Our status as a traveling club was confirmed at the July club meeting. Ideas for September dances to visit include the "Keep Us A-Float" dance with the Silver City Squares and Rounds club, and joining our local Sea Twirlers for their birthday dance. Look for our dark blue badges and welcome us to your dances.

MID- WILLAMETTE

The council was reminded that our meeting day was the 40th anniversary of the walk on the moon. Curt Lundine reported that the Federation meeting would be held at Diamond Lake July 26th.

Marilyn Schmit reported that during the USDA Annual Meeting that competition dancing was encouraged at all levels of dance as a way to promote and get more people into the activity.

There will be square dancing at the State Fair August 28-September 4. Clubs have already signed up for time slots.

We are saddened to hear that Bill Tipton has passed away. We know that he is now dancing with other square dancers in heaven. Our prayers are with Barbara at this time.

See you at a dance.

McMinnville

Due to the extremely hot weather we have been having one of our anticipated parade appearances was cancelled. We did, however, have a great time with the Valley River Dancers under the stars this past month. In July, we did a square dance demonstration at the annual Amity Pancake Breakfast in their local park.

In early August, several of our club members attended a picnic dance put on by the Willamette Squares and had a really wonderful time.

At our last business meeting, it was decided that we would only have refreshments and finger foods at our regular dances and not have a break period. Guests can go downstairs anytime during the dancing for something to eat or drink.

Lessons begin again the second week of September.

We had an awesome time dancing at the Marion County Fair July 11th from 1:00-2:00 p.m. in the Jackman Long Building. Many different things to see and do and a whole lot of fun dancing for a good audience.

We had our demo at the Art Fair July 18 at Bush Pasture Park from 2:15-3:15 p.m. At least it was before the heat wave. We had a lot of fun but still needed some shade and a cold drink or a hand-held fan to cool off.

Our caller, Douglas Wilken, had his flag lowered at half-staff in honor of Bill Tipton passing away July 28th. He was a great friend and dancer. I guess they needed another square dancer to square it up in heaven. Our heart goes out to Barbara Tipton.

This month we will celebrate 27 years at our birthday dance on the third Saturday. Hope to see many square dancers at this dance.

The Crew dance on July 12 was attended by nine squares plus. The Crew just gets better and better! Lots of homemade goodies were consumed. It was a fun time.

On July 24, Gin Johnson, Bill Larsen, Dolly Yarnell, and Paul and Ona Cunningham visited Randy Dibble's "Dance Under the Stars" in Newberg. Seven squares enjoyed this delightful experience.

Our July ice cream social was lots of fun. Cheryl Hagey and her committee made sure no one left hungry and dancing helped burn off the calories that evening. One of our fundraisers is for Windsor House. We raised 26 cans of coffee (45 pounds) plus an additional \$35 for them to use for a Saturday night BBQ and movie. Thanks to all who help this group enjoy a better life.

We are dark in August and will begin September with our first dance on the 5th and celebrate Labor Day with a labor dance. Come dressed as your favorite laborer!! Square dance lessons will begin on the 15th at the Salem Center 50+ across from the DMV on Portland Road.

See you in a square soon.

ROUNDS ARE US

Dallas

Things are quiet in Rickreall because the Fair has upstaged us for three weeks. Our fearless leaders, John and Suzette Juhring, are away at URDC and Purdue to learn and bring back the new dances of the year. We eagerly await their return. Meanwhile David Vomocil and Randy Lewis covered Friday's "Let's Dance" so we didn't totally forget how to dance. Thanks, guys.

At the end of August, several couples will be traveling to Seattle to dance with the Hurds and the

Preskitts at the Weekend Fling. More new dances!!

See you on the dance floor,

Kathy Vomocil

SALEM SWINGIN' STARS

Salem

We have been working hard this summer with plenty of demos and banner-retrieval missions. Most recently, Lancaster Village welcomed us on the 4th of July for a demo—a great success. At least a few of our members will be joining in at the State Fair this year.

We also made an appearance at the IWW ice cream social and stole back a banner (plus one of theirs!). Thanks to everyone who participated.

On a sad note, we recently lost long-time member and our Club Membership Chair, Jack Anderson. He was a warm, wonderful person and our hearts go out to his lady and family.

Lastly, we have a new website up (www.SalemJSwinginStars.com) so please visit us online and come dance with us soon!

VALLEY RIVER DANCERS

Our dancers are all busy dancing at the festivals and other clubs, as well as our own. We had another great night of dancing under the stars with over nine squares. The weather was great, and everyone had a great time.

On July 28, Valley River Dancers lost a dear friend in square dancing when Bill Tipton passed away. Bill was an important part of our club's history and livelihood. We will all miss him and our prayers are with Barb.

We start Mainstream and Plus lessons on the second Tuesday in September. Hope to see you in a square.

PORTLAND AREA

We commend the River City Dancers, Oaky Doaks, Checkerboard Squares, Mid-Willamette Council and the Bachelor 'n' Bachlorettes for volunteering to do the demos at the Oregon State Fair this year. This is the first year where we have been assigned good stages with visible exposure to show what we can do. Thanks also to Tony Haskins for doing the impossible: procuring us these sought-after stages.

It was a great dance the PAC had, July 31, with Darrell Kalmbach calling and Debbie Combs cueing. Silver Stars furnished refreshments (root beer floats and mixed fruits), and Country Capers furnished the hearing enhancement equipment. It's been said that a dance cannot please all people, but we come close.

The 2010 Entertainment books are now available. See your friendly PAC rep to help both your club and the PAC team earn extra funds.

Jim Schira

B 'N' B'S Oregon City

Please welcome our September crew: callers Les Seeley, Jim Hattrick, Renee Ruud, Scott Zinser and George Clark; cuers Tami Helms, Jim Hattrick and Jackie Gale.

Renee Ruud will be featured September 16th—her first calling gig. We invite you all to come and to check her out.

We're also gearing up for our State Fair demo, September 5th, with the Wild Cards. Lucky us: all our demo people will get in free!

On September 15, we will start our new square dance class (see schedule this issue).

BUZZIN' BEES Vancouver

We are starting the square dance year on September 5 with our first dance at the Hazel Dell Grange. We have guest cuers Floyd and Francis Herigstad. Bill Lundin is calling. The second dance is on September 19.

Square dance class starts Sunday, September 13 with a spaghetti dinner at

5:00 p.m. (see schedule this issue). The first class is free and open to singles, couples and children (8 years). Class will stay open several weeks.

Ann Heikkinen

CHAPS & PETTICOATS Aurora

We will sponsor new dancer lessons starting September 13. (See schedule this issue.) We are excited to see if our marketing efforts, during the summer, to pull in new dancers will bring results.

For those clubs that do NOT offer lessons, this is a good time to angel/host a person you wish to bring into YOUR club. Our club caller is Scott Zinser and his emphasis is to promote square dancing, regardless of what club a dancer wishes to join.

Hope you had an exciting summer!

We had a great visitation to the River City Dancers. Thanks for a nice time. See you dancing.

COLUMBIA GORGE PLUS Hood River

We are usually dark in the summer, but have kept busy with Plus lessons in The Dalles and special dances in the Gorge. Carson Campout will have come and gone with this issue, so will update all in the next issue. Remember lessons that begin and all should help as angels.

We will also be dancing in the Wallows the first part of September. Our first Plus dance of the new fall season will be the first Friday of October with the Clendenins. So come to Hood River and Join us for lots of fun.

Hank and Linnie

COUNTRY CAPERS Portland

Our summer workshops so far are a success for the summer. We have had visitors from all over the country joining us. It has been great fun to meet dancers from clubs from afar.

July 30th we provided hearing enhancement equipment at PAC dance.

September 10 our classes for new dancers begin. (See schedule this issue). The first class is free with all other classes \$4.00 per person. All angels are invited to join us to help new students and make the new dancers feel welcome to the Square Dance world.

We will be back to dancing September 19 with the theme "Back to School." We will be collecting school supplies to help teachers provide supplies to children who are unable to provide their own. Hope to see other clubs joining us and helping with donated school supplies.

COUNTRY CUT-UPS

Boring

September already? Wow, hope all had a nice summer. We have Mike Haley and Stephanie Kroft calling and cueing on Saturday, during our Labor Day "Campout at the Barn" party September 5, 6, and 7. Contact club for more info. Come join us for some fun.

The much-awaited Mainstream square dance lessons will start September 10. (See schedule this issue). Later in the month, be sure to come and dance with Roger Putzler and Debbie Combs.

Mark your calendars for our October 3 Anniversary Dance and the great pancake breakfast feed October 18. More details to follow.

Our Sweet Golden Heart for September is Jean Bettencourt, who is our busy Publicity Chairman, flyer maker, ad placer, and Seeing Eye guide for her blind dog. We love it when she is able to dance with us.

HAPPY HOPPERS Vancouver

The summer heat has not affected the Hopper's enthusiasm for dancing. Twenty-one members attended the Lakefair Weekend. We had a lot of fun dancing, visiting, and eating out together. We'd like to say thanks to the folks who put on such a great event.

August will find a number of Hoppers at another event we have enjoyed for years, the Carson Campout. We're really looking forward to that!

Hopper dances resume September 5. We're anticipating a great year. Once again, at our September dances we will be collecting school supplies to donate to a local school with a high percentage of children in need.

Lessons start September 14 (see schedule this issue and our ad). Jim Hattrick always does a great job. It's fun to see the enthusiasm of the new dancers.

Keep track of our activities at Happy-Hoppers.com.

Jean Tolstrup

HAPPY ROCK'RS Oregon City

Our Luau dance September 26 will

have guest callers Roger Putzler and George Hermann, as well as our own caller, Michael Kious. Our fabulous cuer is Debbie Combs. Please come and join us for a fun-filled evening of dancing, friendship, and food.

We will start our new dancer classes in September. The first class September 13 will be from 3:00-5:00 p.m. with the first two classes free.

We are planning a visitation every month. July 31st it was to the 5th Friday PAC dance and in August some of us are planning to ride MAX into Hillsboro to the Farmers Market and help the Hoedowners and the Sunset Promanaders put on a square dance demo. We are hoping for enough dancers to do a tip on MAX on our way out if it is not too crowded with people heading home from work.

OAKY DOAKS Oak Grove

After a very busy summer, we are ready for fall and lots of good dances, visitations to other clubs and maybe some cooler weather.

The top story for us this year is that our hall (Oak Grove Community Club) has air conditioning, really good air conditioning. It sure makes dancing more enjoyable.

Round Dance classes start September 10. Patty will be teaching beginning 2 step and Phase 3/4 Cha Cha.

The new Board has great plans for this next year. Be sure to watch your OFN for more information about events at the Oaky Doaks.

Hope to see you in a square or circle soon.

Patty

RECYCLES Tualatin

It's finally here! The Recycles' 14th Anniversary party will be held Friday, September 11 at the Winona Grange in Tualatin. Put on your party-time clothes and join us for another great evening of fun, prizes, Plus dancing and a wonderful variety of Rounds, all led by Darrell Kalmbach and Jeanine Norden.

It's been a fun-filled three years as a Plus club, and we're looking forward

to lots more good times when you and all your pals come out to dance with us each month!

See you soon,

Cynthia

RIVER CITY DANCERS Milwaukie

More than ever in these tough times, we treasure friends who share their love, talent, and time to make our lives more joyful. River City Dancers, like so many others in the square dance community, complete a special place in our hearts. Yes, we love the music, the dancing, the hugs, but more than anything, the folks who share our laughter and fun and caring.

Square dancers are also resilient and inventive. Take Ed and Jolene Cummings and our River City officers, who created a Friday night picnic dance after we had cancelled our hall for our usual Saturday night dance. Had a great time anyway!

Our annual Lone Fir Campout was a weekend of Oregon Trail fun enhanced by a murder mystery. Thanks to Cathy and Frank Betzer and your bril-

liant crew! What a bunch of hams! Love Ya!

SILVER STARS

Vancouver

We had 19 members at the PAC 5th Friday dance July 31st. We furnished refreshments. It was a fun dance and everyone had a good time and liked the food. The air conditioning didn't hurt either as it was a very hot night.

In September, our club will dance on the 2nd Saturday at Hazel Dell Grange but will be dark on September 26 and October 10. The reason we are not dancing those dates is that we moved to the new hall and it was already rented. We will resume dancing October 24. We will be visiting other clubs. Watch for us!

Our lessons start September 16 (see schedule this issue). The first lesson is free and classes are open for three weeks to join. They are open to singles, couples and youth 10 years and older.

SQUAWS AND PAWS

Aurora

It is with great sadness that we report

of death of long time friend and dancer, Jerry (Geraldine) Pruitt Simmons July 26. She was dancing just two months ago and passed away after a short illness. She will be missed greatly by friends, family, and special friend, Mel Selander.

We are DARK Friday, September 11 in Aurora, but we invite everyone to join us at our annual Beach Trip dance on Saturday, September 12 at Pacific Grange in Warrenton. The kids are back in school, the beach is quiet, and it's a great getaway weekend. We are beginning a new format for our lessons this year. They begin Sunday, October 4 with MS starting at 7:00 p.m. followed by Plus at 8:30. Craig Abercrombie and Jim Hattrick will be teaching jointly. (See schedule this issue.)

SWAP & SWING

Bill Reid has really been putting us through our paces at Plus lessons this summer. Some of us who thought we were competent Plus dancers now have our doubts! But that's what lessons are for.

CLUB NEWS, Continued from page 23

Our Mainstream lessons begin Thursday, September 17, followed by Ballroom Monday, September 21. (See schedule this issue). We are hoping for a good turnout of new dancers who will keep dancing after lessons are over. Sometimes we have trouble competing with people's other activities. How could anything be more important than square dancing? Plus lessons finish the middle of this month and our first Mainstream dance is September 26 at the Civic Auditorium.

Hope to see you in a square.

TUMBLEWEEDS

Portland

We are so fortunate to have an air-conditioned hall to dance in and if the temperature goes above a certain figure we are allowed to wear shorts and short sleeves. Many took advantage of this the last few months.

August has always been our picnic month and for many years we have gone to Oaks Park in Portland. Our member, Helen Washam, worked at Oaks Park for many years, and she was always able to get the best spots available for us. Helen still roller skates there. Our picnic this year is being held in the hall with an outdoor type potluck and lots of indoor fun and games with the dancing. This year will be very special because we are having a picnic visitation from the Eager Beavers.

We are looking forward to our Back to School Dance Potluck September 18.

SOUTH COAST

BEACHCOMBERS

Port Orford

Hello from the "cooler" South Coast! As I write this we are all having a bit of a heat wave, but our hot weather is in the low 70s! We are looking forward to having a beautiful weekend for our Battle Rock Dance again this year. Our new website is up and running and Malcolm is putting new things on it all the time. It can be accessed at <http://beachcomberssquardance.homestead.com>.

We are looking forward to Dave Cooper offering square and round dance lessons this fall. We had a great class last year and are hoping for an even greater turnout this year. We will again be dancing the first Friday of each month with a few beginner dances also offered. Come visit us--the welcome mat is always out!

SAINTS 'N' AINTS

SETS-IN-ORDER

Coquille

Surprise! Sets-in-Order are alive and well. I feel like Vivian once said—if there isn't something real neat to write about don't write. Square dancing is always "neat," but we haven't had anything spectacular to report about. However, this last Tuesday we danced at the Coos County Fair, and it was "spectacular"! We had over three squares—with the *hot* weather we were very pleased! *Everyone* really showed how much fun square dancing is. That is what it is all about, and people notice it. Let's all keep up the excitement when we dance and show it.

The coast is always cool, so come on over.

TUALATIN VALLEY

On Saturday, September 26, park your camper at the beach near Garibaldi, and meet and mingle with the state officers at the State Meeting and Dance hosted by the Coast Swingers and TVC. This is arguably the nicest time to visit our coast, and the hospitality and fun should make a great weekend. Janet Shannon calls and Connie Clark cues.

Note the starting dates and times and alert your not yet dancing friends to the many clubs in the TVC offering square

dance lessons in September. New blood is always needed for the growth we seek in the number of square and round dancers. Please do your share by spreading the word.

COAST SWINGERS

Garibaldi

September is here already. Our July dances were fun. We had quite a few guests from other clubs visit us. A couple from Ohio even stopped by to dance with us as well as the Hoedowners, B & Bs, Hayshakers and others.

Adam Cumming will call our September 12 dance, "Falling Leaves," and Connie Clark will cue. On September 26, the TVC State Meeting will be here, so please join us then. Come coast casual and wear those crazy hats! Janet Shannon will call for us that evening and Connie Clark will cue. There will be lots of good food and fun for all. We're looking forward to a great turnout.

EAGER BEAVERS

Beaverton

Here we are in September already. What a busy and hot summer it has been. We have had lots of dancers visiting us in our wonderful air-conditioned hall.

We have also done a lot of visiting. One of our really big ones was the visit to the Sunset Promenaders where we had 21 attending. Many of us enjoyed the Fourth of July Parade in Hillsboro, some even danced along the way.

Since this is "back to school" month it is also time to start our Plus Dancing classes. Something new this year to note: the lessons will be at the Aloha Grange on 185th and TV Highway, starting Wednesday, September 16, at 10:00 a.m. Tell your Mainstream friends.

CLAIRE

HOEDOWNERS

Aloha

We suffered through our hottest weather ever to finish out July and were forced to cancel our July 25th dance. If the temperature reaches 90, the dance will be cancelled, and it will be posted on our great website, www.hoedowners.info.

Our "Fiesta Dinner Dance" July 11 was a barn-burner as well but for different reasons. We had nine plus squares on the floor most of the night, and all had a grand time. Thanks to our friends who came to join in the fun.

Several Hoedowners served as angels for a large group of Chinese exchange students who were in Portland for three weeks. They were thrilled with square dancing and many reported that their time at the Aloha Grange was the most fun they had in the U.S.

See our ad this issue for great September dances.

MIX 'N MINGLE

Tualatin

A scorching July day is a good time to write that at M'n Ms casual is always welcome in the summer or whenever the heat is over 80 degrees. Sometime September runs into the 90s.

This month's important message is to put October 17 on your calendars. This is our 25th Birthday Dance! While not all the plans are finalized, we are looking forward to friends from the past

joining us for dancing and/or visiting. We hope that at least some of us will show up in club colors, dark blue, light blue, and white.

Our summer months stay busy with our Tuesday night dance/workshop twice a month.

We attended the ice cream social at the Cougar Squares. It was a fun dance. Pat and Glenn Faires had a gathering for their 50th wedding anniversary and after the ceremony a big buffet was served.

Starting September 5, we start back to our regular dance nights—first Saturday and third Friday of each month. View our lesson info at the end of this issue.

October 2-3 is "Oktoberfest" weekend. Come join us for a weekend of dancing, garage sales and a German dinner. There is always lots of food. Come dance with us, we will have a good time. Call Jean Turner for a reservation 360-423-9168.

SUNSET PROMENADERS

Hillsboro

The blistering days of July started early, and we celebrated summer's arrival on the 4th in our very comfortable air-conditioned dance hall. Many Eager Beavers joined us to make a merry evening for all.

September brings back an old favorite of ours, the Hawaiian Luau. Visit us September 19 and wear your most colorful island togs, and we'll treat you to all singing calls and, at the break, real tasty Hawaiian food.

Like others in the TVC, we are ready and willing with our basic and mainstream dance lessons starting Sunday, September 13. Casual clothing and a cool floor make for a pleasant way to get introduced to the dance. Harold Kleve instructs.

Our first dance in September is our 11th Anniversary Dance on the 18th. We are also starting lessons in September. The first lesson is September 20 at 2:30 p.m. at the Tigard Grange. Terry Halley will be teaching for us.

We are dark in July and August, so we have had fun visiting a few other clubs. We have been to the Sunset Promenaders in Hillsboro and the Hoedowners in Aloha. On September 26 we plan on visiting the Coast Swingers in Garibaldi, which will be a State Federation dance.

VALLEY SQUARES Aloha

Now that the official "school year" has begun, we're back to normal sched-

ules. However because we can expect more really warm days, our plan is to cancel a dance if the temperature is 90 or above by 5:00 p.m. on the dance night. We'll plan to make it official by putting a notice on our Web Page.

Our July 18 dance was a lively one. Our caller, Ed Craig, began the first of a series of surveys of songs he uses during a dance in preparation for a "Top Ten" dance sometime in the near future. We'll report on our busy August schedule in next month's OFN.

See you in a square.

UMPQUA AREA

BUCKEROOS Roseburg

We certainly had more than our share of blue skies and hot weather in Roseburg during July. Although things were "cooking" temperature wise last month, we opened the windows, cranked the fans up, and danced despite the heat. A small but enthusiastic group of Buckeroos ventured to Diamond Lake for the Festival and had

a grand time dancing both at the workshops and at the dances. A group of volunteers cut, stapled and glued fans together to promote fall lessons that were passed out at the Douglas County Fair.

Happy Dancing,

PIONEERS 'N' PETTICOATS Canyonville

Happy Hot days to all you dancers! The July 4th Sawdust Jubilee parade brought Pioneers 'N' Petticoats a second place ribbon for their float entry! Good Job! Way to go, dancers! We had dancers of all ages and two vehicles in the parade all decked out in red, white and blue. The hit of the float was colorful Penny, a miniature dachshund.

Our Thursday evening workshops and fourth Sunday afternoon Small Town Steppers dance now include ABC square dancing. The ABC square dance is easy enough to accommodate the non-graduated dancer and is becoming popular. These dances are called by Kenji Wheatly who always provides a great time. We will be dancing at the county fair in August.

Letters

To the Editor:

The controversy over what to wear at square dances intrigues me. I have been dancing for 50 years and the clothes go with the territory. It is a tradition, and we must not lose that.

I first saw square dancing on television at Farmer's

Market, which at that time was on Front Avenue. A huge place set aside to park cars was cleared for the dancing occasion. The clothes were so beautiful! I had never seen anything like it. I had to find a class, which I did.

This has been my life, and I have attended many "Nationals." I have traveled all over the United States, Canada, and New Zealand. The clothes have been beautiful.

If square dance clothes bother you, may I suggest a skirt and a blouse will do, and you will be welcome.

Oregon State Federation Report

Wow! What a nice time I had at Diamond Lake this year. The weather was perfect for the occasion. As always, the lake was very beautiful. Lots of people around boating and fishing doing the vacation thing; and then there were those square dancers, clicking their little heels against the wooden floor (set-up and supplied by the Star Promenaders) until late at night dancing under the stars. The dancers showed their expertise under the watchful eyes of Dan Nordby, National Caller, and cuer Tami Helms. (Even the mosquitos had a few squares--and they did a swell job! Just a few itches with no mistakes.)

Don Korner, the Diamond Lake Chairman, said they had one of the best festivals in a long time with 250-300 dancers attending. I met some square dancers from Canada who were having a great time. The Diamond Lake Lodge put on the BBQ

Friday and Saturday mainly for the out-of-town guests, callers and cuers.

Wednesday included callers and cuers from the floor. Wayne Weaver the club caller, did a really swell job Thursday all day and on Friday morning. This is the 36th year of the Diamond Lake Festival, and it seems to get better each year. Next year's Festival our National Caller will be Nassar Shukayr, and the National Cuer will be Sharon and Casey Parker.

River City Riders Wow National Convention

Yep, you guessed it. Those River City Dancers and their horses (The River City Riders) trailed their way to California to ride in the National Convention this year. It wasn't gold they were searching for—it was fun and excitement. They found it in Long Beach.

They are really good. They also leave the floors clean when they

leave! There were 22 members with the Horse Riders, including Les Seeley. They performed six times on Thursday, Friday, and Saturday in front of several hundred people. The Convention Committee People played the crowd up until the performance letting them think that real horses were going to perform. What a surprise to see Jim Hunt leading Mary around with a bridle in her mouth, carrying a saddle--no, no that's just a joke! Both Mary and Jim concurred that Long Beach Convention Center was very beautiful with large rooms; plenty of restaurants and motels with shops galore. The weather was perfect for their stroll along the wharf as they enjoyed the fragrant smells of the ocean breezes. Sounds like a love story, huh? The River City Riders have been formally invited to perform at next years' convention also. *Way to go, River City Riders!*

Dancing in Heaven

Sandie Hoover

Following a very short and courageous battle with cancer, Sandie Hoover passed away at home August 7, 2009. Sandie was the Elkhorn Swingers club Vice-President this year, as well as having credited service in all other club offices over the years. Prior to Baker City, she danced with clubs in Salem and Bend before getting totally hooked in Medford and Grants Pass.

In fact, Sandie and Chuck met while taking lessons with Lantz's Dantzers. They had their first official date Valentine's Day 1998 at a Charlie Brown's dance. They made annual road trips which included attending dances along their route. Together they served as Vice-President for one year with the Blue Mountains Council and between them held the position of club President and Vice-President for several years.

Sandie's unparalleled energy, enthusiasm, and flourish will be greatly, greatly missed by all.

Geraldine (Jerry) Pruitt Simmons

March 30, 1924-July 26, 2009

Jerry Simmons, long-time member of the Squaws and Paws, passed away

after a brief illness. She and her husband Chet Pruitt were very active in the Club for many years. After Chet passed away, she thought about giving up dancing, but then she and Vern Simmons, whose wife Helen had also passed away, became good friends and married. They enjoyed several years of dancing and traveling together.

Vern died a few years ago and this time Jerry was really going to give up dancing, when along came Mel Selander. They were able to enjoy several years of dancing and traveling also, and Mel will miss his dear friend. She was a woman of great faith, and she, with her wonderful attitude about life, will be greatly missed by all of her friends and family, especially the square dance community.

Naomi Andresen

July 19, 1937-July 12, 2009

Naomi passed away July 12. Her family moved to Newport, Oregon during WWII while she was a young girl. She married the love of her life and lived and worked in Newport. She raised two sons and one daughter. Wanting to get away from the coastal climate she moved to Salem after her husband's untimely death. She was

introduced to square and round dancing about five years ago and soon had friends all over the Willamette Valley.

The Willamette Squares will remember Naomi as the "Great Volunteer," her potluck dishes, and her beautiful smile as she wiped her brow after just "one" more tip! When she wasn't square or round dancing, you could find her behind a hand of bridge or socializing with her bevy of friends. We will all miss her.

Norris E. "Jack" Andersen

June 5, 1932-July 13, 2009

Jack never met a stranger, respected all people, and always gave more than he got. He was a living example of kindness and generosity. He grew up in Mehama, Oregon, where he met and wed Jani Versteeg in 1953. The couple moved to Brookings in 1954, where they raised their four children.

Jack worked in the trucking industry for 40 years, from hauling logs to batching concrete. During these years, Jack donated much of his time volunteering to the local school sporting activities as well as being a part of the Chetco Swinger's square dance group.

When Jack retired in 1995, he and Jani moved to Salem to join their family. In 2002, Jani passed away. In 2004, after joining the Salem Swinging Stars, his lady, Audrey, waltzed into his life. They enjoyed traveling to many destinations including dancing events, visiting relatives and camping trips.

William M. Tipton

May 3, 1941-July 28, 2009

Bill was in the U.S. Marine Corps from 1961 through 1963, then worked as a long haul truck driver and a Certified Medical Aid at Fairview Training Center. He married Barbara J. Weathers in Reno, Nevada on February 14, 1995. Bill enjoyed square dancing and was a member of the Valley River Dancers and the Independence Wagon Wheelers, as well as the Salem Square Dance Association. He was a member of the Keizer Eagles, and he also enjoyed woodworking and collecting classic western music.

Dunn-Hoskinson Wedding

A gala, fun filled Square Dance Wedding for Chuck Dunn and Pauline Hoskinson was held at the Josephine County Square Dance hall the afternoon of June 21. In addition to dancers from Grants Pass and Medford, there were dancers from Klamath Falls, Roseburg, northern

California, and family from Eugene.

Chuck and Pauline met while square dancing, later becoming Round Dance partners as well. The couple exchanged vows before over 130 family and friends. Following the ceremony, everyone lined up for food, Square Dance style. The wedding cake included both square and round layers, symbolic of Square and Round dancing.

Round Dancing began with Chuck and Pauline dancing to "Can I Have This Dance?" cued by Ed Phillips. Denny Lantz, who also served as Music Master for the ceremony, called for the Square dancing portion of the dance. Chuck reports that several guests have commented to him, "It was a fun and happy afternoon, with the most laughter I've seen at a wedding."

2010 Mid-Winter Festival: 50th Anniversary Golden Jubilee

The festival is moving along very well. We will be doing a tour of the newest State park, Thompson Mill. We will have complete details next month, but we will be using a 28-passenger bus, so if you are interested please contact Chuck and Sandy Eddings at chsaneddings@comcast.net. We will be charging \$10 per person for this tour plus the fee to enter the park. We will have a box lunch prepared also, which will be catered by the Cascade Grill Restaurant. We will have the total price with all the details in the next article.

Now for the betterment of Mid-Winter Festival, we would like to respond to a letter to the editor in the July issue of the *OFN*. This article concerned the amount of time we have for New Dancers in the program for Mid-Winter. We realize the time slotted for New Dancers and A-1 is not the perfect or ideal. However, what the author of this letter should know as a caller is

that you can only work with the facility we have, and that does not make it feasible to dedicate a complete hall to New Dancers or A-1. If this person can guarantee at least 10 squares of new dancers or would like to add money into the budget to pay for another hall, which would have to be the Cascade Pavilion, with no heat and at another

great expense, then we will have to work with what we have. The program for New Dancers seems to work, although admittedly the hall became warm at some times because of the size. We are more than likely going to keep that same program this year. We believe if the callers with new dancers have started the lessons early enough, then the New Dancers should be ready for Mid-Winter dancing in the Mainstream hall.

Admittedly, this may be a concern to the new dancers but if the clubs who are giving them lessons accompany them in the Mainstream hall for at least two tips, they would then probably feel comfortable dancing. We know this may not be the answer for New Dancers, but we have to consider how best to meet the needs of over 1,200 dancers at all levels. We want this to be a great dancing experience for everyone who attends. Everyone has a hall to dance in at sometime. With this facility that is the best we can do.

We are working on some different raffle items for 2010 along with the casinos. More information on this will be in next month's article. We are thinking of raffling a whitewater raft trip or a cruise on the Columbia on the paddle-wheel boat. More to come next month.

59th National Square Dance Convention®
Louisville, Kentucky
June 23-26, 2010
Kentucky Exposition Center
"Louisville Again in 2010"

Tours before and during the convention. One of the tours is outlined below. For information on how to register for this tour or other tours being offered contact: Ives and Carol Pruett at social@59thnsdc.com or at 812-278-3020.

Half-Day Tour

This is a special half-day backside tour of Churchill Downs and the Kentucky Derby Museum. The tour will be offered from Wednesday, June 23, through Saturday, June 26.

Churchill Downs, located on Central Avenue in south Louisville, is a thoroughbred racetrack most famous for hosting the Kentucky Derby. It officially opened in 1875, and held the first Kentucky Derby and the first Kentucky Oaks in the same year. Churchill Downs has also hosted the renowned Breeders' Cup on six occasions. The Kentucky Derby Museum is located at Gate 1 of Churchill Downs. The Museum offers two floors of exciting exhibits giving visitors an in-depth look into thoroughbred racing and the Kentucky Derby—the first jewel in racing's Triple Crown.

Tour Agenda: As the horses breeze by on their morning workouts, your guide will explain the training process

that transforms a young horse into a racing legend. You'll rub elbows with trainers, jockeys and exercise riders as you enjoy a delicious country style breakfast in the track kitchen.

Walking through the shed rows allows you to see a thoroughbred up close. You will tour the Kentucky Derby Museum where you will experience Kentucky Derby exhibits and 360 degree multi-image show depicting the panorama of Derby Day. Naturally you will visit the gift shop as well.

newest thrill ride, Tornado. In all, there are more than 110 thrilling rides and attractions for all ages. The 59th NSDC is offering a discount rate of \$25.00 per person on daily admission! Please see the 59th NSDC registration form to get this rate.

Downtown Louisville Hot Spot to Visit

One of the busiest attractions on the riverbank in Louisville is the Louisville Slugger Field baseball stadium. Slugger Field opened in the spring of 2000 and is most certainly the finest minor league park in the country. "Take me out to the ballpark," has a renewed meaning in Louisville. Slugger Field is home to the minor league Louisville Bats team. The Louisville Bats, which play in Louisville, are the AAA minor league baseball affiliate of the Cincinnati Reds. The team, formerly known as the Louisville RiverBats, plays in the International League. The Bats play their home games at Louisville Slugger Field; the naming rights for the stadium were purchased by Hillerich & Bradsby, makers of the famous Louisville Slugger baseball bat. The bat factory and museum are located a short distance away at 800 W. Main Street.
